HELP FIGHT PROPERTY CRIME...

Many items of identifiable property (items with serial numbers on them) are either lost or stolen each year. If you register your property and the police recover it, then you are more likely to get it back. This will also help the police detect crime and catch criminals.

4 STEPS TO FOLLOW:

- 1** Collect details of all identifiable property from around your home and record them on this leaflet.
- 2** Visit www.immobilise.com and follow instructions to register the property. It is FREE and only takes a few minutes. Go to 'Create a free account now'.
- 3** Keep the leaflet in a safe place in case you ever need to report a theft.
- 4** Don't forget to update any details if you move, or sell on anything you have registered.
