

Shaping the future of  
**Buckskin & South Ham**

## **We want to invest in your community**

There are lots of good things about Buckskin and South Ham. It's a great community with many extended families who have been here since the estates were built.

To improve the area and increase the opportunities for everyone who lives or works here, we want to work with you to create a plan for the future. We want to bring in additional investment to make the plan happen.

## **We want to hear what you think about your area**

Before we start looking at investment ideas, we want to hear everyone's views and experiences of living, working or running a business here. What do you like? What would you like to change?

You might have views on things like housing, buses, parks, local services, amenities, employment, education, anti-social behaviour or opportunities for young or older people.

## **We want to work with you**

We want to work with you over the next two years, using the information you provide in the coming weeks, to identify potential options for change and then create a shared plan for the future.

Options to improve the area may include refurbishing homes and the regeneration or renewal of parts of the neighbourhood.

## Who is doing this work

Sovereign Housing Association (now known as Sovereign Network Group) is leading this work. We are a housing association and the largest landlord in the area, and this work is part of our commitment to improving the homes and places where our customers live.

We are working in partnership with Basingstoke and Deane Borough Council. It's a priority for both of us to bring positive change to this area.

## Our team

We have a partnership with the Hill Group, the Sovereign Hill Partnership, who will be working with you. The Hill Group are a developer with a strong track record of working with communities.

The Sovereign Hill Partnership is putting together a team which will include architects, engineers and other specialists, so you might see some new people walking around.

## Get involved

Our team is looking forward to working with you. There are different ways that you can get in touch and get involved.

We would like to hear about your experience of living or working in the area by **15 December 2023**, so that we can look at options for change with you next year, when there will be more opportunities to get involved.

### Come to a listening event

To start to gather your views, we'll be holding some local drop in events. You will find more details about these on a special website and on local noticeboards. The first two events will be:

- Tuesday 14th November, 2-7pm,  
Ridgeway Community Centre, Blackdown Close, Buckskin RG22 5BW
- Thursday 16th November, 2-7pm,  
St Andrew's Methodist Church, Western Way, South Ham RG22 6ER

### Visit our website

Show us on an online map what you like and don't like; and then answer some short questions.
